Paragraph Response
for use with
“Using Fairy Tales and Legends in Books” by Tiffany Turner

Mrs. Turner uses legends by _________________________________
________________________________________________________
________________________________________________________
________________________________________________________.

For example, ________________________________________________
________________________________________________________
________________________________________________________
________________________________________________________.

In addition, Mrs. Turner ______________________________________
________________________________________________________
________________________________________________________
________________________________________________________.

That is what I found as examples on how authors include fairy tales or legends. I found this article helpful because
________________________________________________________
________________________________________________________
________________________________________________________
